Sugandhi by Vinusto - A Fragrant Celebration of Indian Craftsmanship

In the world of handcrafted fashion, few collections evoke emotion and sensory beauty quite like Vinusto's Sugandhi Collection. Inspired by the ethereal fragrance of joy, serenity, and celebration, Sugandhi is a poetic tribute to India's rich cultural tapestry. Each piece in this collection is more than just a garment—it's a sensory experience woven with threads of tradition, harmony, and timeless elegance.

Whether you're dressing for a wedding, festive gathering, or a special occasion, Sugandhi offers ensembles that speak to the soul and celebrate the spirit of Indian heritage.

The Essence of Sugandhi

The name "***Sugandhi***" itself evokes a sense of fragrance—of incense, flowers, spices, and sweets that define Indian festivities. This multi-sensory inspiration is reflected in the collection's design language, where every motif, fabric, and silhouette carries the essence of celebration.

From embroidered lehengas and ready-to-wear sarees to structured Anarkalis and co-ord sets, each piece is crafted to embody grace, vibrancy, and cultural richness.

Handcrafted with Purpose

At the heart of Sugandhi lies Vinusto's commitment to sustainability and artisan empowerment. Every piece is made-to-order, reducing waste and ensuring fair wages for the weavers and craftsmen behind the scenes. The fabrics—Chanderi handloom, Zari silk, Katan organza—are sourced ethically and woven with care.

This "Weavers to Wearers" philosophy ensures that every outfit carries the story of its maker, creating a deeper connection between fashion and culture.

A Palette of Celebration

Sugandhi's color story is inspired by the vibrance of Indian festivals. Expect rich golds, soft ivories, deep browns, and pops of hot pink and aqua. These hues are paired with intricate embroidery, scallop detailing, and lace accents that elevate each ensemble into a work of art.
